2071 (II)

☆

**NOTE:**

The examination in the year 2070 was delayed due to several reasons. The postponed examination had been scheduled to early 2071. As a result, there are two copies of Year-2071 examinations, in circulation. Consequently, this also meant that much of one or the other copies, for that year, was lost.

We do not have the second 2071 Examination Old Question Paper, for this subject. If you do, kindly send us at: [csitauthority@gmail.com](mailto:csitauthority@gmail.com) or, <https://m.me/csitauthority>

Thanks!
